## Sophisticate Sex

I'm always in control, so if you want me sexually, you're going to have to earn it. I'm into girls and guys, so I have plenty to choose from, I'm also very assertive. At a bar I made a girl strip naked and lie on the pool table as she ate me out. I'm also keen on running and staying fit, but there's more up my sleeve: I'm an expensive escort. Stockings, garters, six-inch heels -- and handcuffs, are tools of my trade. I love dressing up because my partners love to undress me. So, when I saw the pictorial of Andy San Dimas, I knew she was my kind. —Mindy, Miami

## Anal All the Way

My girlfriend says she feels happier and prettier and stronger when she poses naked. Her favorite position is doggy style, which is perfect for me because I can fuck her butt. I feel very fortunate that she loves anal as much as I do, so when I saw Cherry (Hilson) getting her butt fucked in every photo, I was in anal-ecstasy. With the holidays looming, she delivered a naughty fantasy to me -- while out shopping, she gave me her ass in the changing room. —Buzz, Dallas

## Happy To Get Wet Sex

One time I went skinny-dipping with some friends. They thought it would be fun to take off our clothes. Ever since then, I've loved having sex in or near water, with someone, or even by myself. I think the removable shower head is my best lover. So you can just image that when I saw the layout with Shyla (Stylez) in your last issue, I immediately got wet. I'm a bikini model, who's not afraid to get in the water, so I'm always being booked for those types of shoots. I love having a sexy job! But sexy doesn't stop at the waterline. I specialize in making my partner feel like the only man in the world. Our time together will make memories for a lifetime! I love sex and sports. We can spend every evening in bed fucking and watching a game on TV. I'll even order pizza and beer!

— Ellen, *San Francisco*

## Love Your Boobs and Butt

I love hour-glass figured girls, and Hunter Bryce has to be the one of the best I've ever seen. She's more busty than your average girl, and really, she is fucking sexy. She has the perfect kind of body you can admire for hours and the kind of boobs you put in your face or around your cock. My ex-girlfriend has them, too and I'd be lying if I said I didn't like them. She'd say they were sensitive so I often grab and squeeze them. Back to Hunter, I love seeing the mouth watering combo of both her boobies and fanny on display in this photo shoot and I feel the pull of her sexuality right through the pages. If only they were 3-D, I'd be in heaven. But you guys have the next best thing, a video of the scene in the magazine. Man, can that babe fuck. The photos in the pages of the magazine may capture a specific moment, but to see it play out with all their moans and groans is a real turn on for me. Then to add the bouncing boobs and butt the photos can't capture, well, then I have to go get an extra box of tissue before the scene ends.

— Josh, *Nashville*

# CHRISTIANA AND DARCIE

**We hope you like our little show!**

It's Sunday afternoon and we have nothing better to do than each other. Hi... I'm Darcie and my good friend and sex buddy Christiana, is coming over shortly. We've been intimate for only about five months now and we always hit it off. I can feel my pussy getting wetter with anticipation of her arrival. I told her to wear a bikini, because that's one of the easiest garments to get off, especially if you can't wait to fuck.

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Driving home, I got Kallie on the cell phone and asked her to call for a pizza while I was on my way. I was hungry. The pizza delivery guy showed up at the same time as me and I saw him at my door. I paid him and added a pretty generous tip. Kallie came downstairs and took the box from me and headed to the kitchen to put some slices on plates for us. I put on a streaming channel on my man-cave TV and settled back waiting for her to come in. I selected a horror movie we could watch; Freddie scares the crap out of people, and us.

She came in with one plate and a couple beers. Nothing goes better with pizza than Kallie and beer. We sat on the couch in front of the big screen I had just bought. It had surround sound and the couch was new so it didn't sag. We had fun talking with each other and

laughing over some stupid stuff going on in the movie. Thinking back, we wondered why this stuff seemed so scary when we were younger, but it did.

Kallie cuddled closer to me as the movie was ending. Somehow her shirt opened up and slipped down below her shoulders. I moved her until she was half on my thigh. We had gotten a blanket and Kallie had pulled her knees up to stay warm. (The middle of January in Boston can be so cold that it makes times like this totally worth it.) This provided the opportunity I needed to slowly massage her breasts and pinch her nipples. She moaned lightly, but kept jumping every time someone got slashed. I kept one hand on her breasts and the other moved to her crotch.

The movie ended and I grabbed Kallie and carried her up the stairs to the bedroom. Kallie kissed me as I put her on the bed and started to pull off my sweatpants. I let her do it but she had a little trouble because I was pitching a pretty big tent. She got them off and then struggled with my boxers. It was kind of hard for her, I kept moving her hair and fondling her breasts. She got them off and I stepped out of them and kicked them away. Kallie went to work on my cock and I tried to move a little but she just pushed me back down. Then deciding that she was ready, Kallie moved into a sixty-nine position with her on top and I got to eat her out.

**I was disappointed until she turned and sat on my cock. Immediately I was halfway in her when she slowed down and kept going slower the farther in it got.**

The more I licked her, the more vibrations she sent down my cock. I stuck two fingers in her wet pussy and gave her a quick orgasm. She kept sucking but her scream was muffled by my cock and I felt my balls beginning to tighten as my cock got bigger. Kallie stopped and got off of me. I was disappointed until she turned and sat on my cock. Immediately I was halfway in her when she slowed down and kept going slower the farther in it got. I was finally in balls deep and then she started to bounce up and down on me.

I moved my hips up to meet her and was pounding away until my cock started to swell even more. Kallie must have felt it because she was bouncing faster until she fully impaled herself and then I started to cum in that perfect pussy of hers. Despite all the times I came during the weekend, I still shot off a huge load and some began to leak out onto the sheets and me. When I finished and Kallie's pussy stopped clenching, she got off and licked the mixture of our cum off of me. It was so stimulating I didn't even go limp.

Unfortunately, Kallie told me that she needed to take a break, so I

groped her ass for a while. In the morning, I woke up before Kallie with my morning woody and my head was still planted between her breasts. I looked and grinned at her. She smiled back, so I went to work on her. Kallie began to moan and reached down a hand to rub her pussy. I kissed her and used both hands to massage her boobs. She cried out and shuddered for a little and then looked at me like she didn't want me to stop. I kissed her and then ran to the shower while she picked out what clothes I would wear to work. I was hard during the entire shower, but knew that if I wanted to drop Kallie off in time and make it to the appointment, then it must be a quick shower and a rushed breakfast once again.

I met Kallie at her new job. It was where I worked. Our boss was a family friend and was probably a little more lenient with us than with the others. He gave her a uniform and then walked her through what her position did. I had to help Kallie carry boxes and stock the shelves so she knew where things were and how they were arranged. She helped organize them and I helped her. We would be seeing a lot of each other there, but we knew we had to be extra careful.

Kallie and I zipped through our work and it was very systematically done, and every couple of hours we had a fifteen minute break to do what we wanted. The next break I went into the back room and took a power nap on the stock boxes and fortunately woke up just before the next shift started. We all worked hard for the next couple hours and during the second break, Kallie and I found another, less used stockroom and she went down on me right there in the store.

I must admit that it was very weird. This owner was super nice and did not question what we did in the back room when he saw us both come out. That was okay because I had no intention of fucking Kallie in the back room, but it did occur to me a few times. There were other times when I had a lump in my pants when she brushed against me, so I gave her a quick pinch and she wiggled her ass to tease me even more.

# THE MAN CAVE

I LOVE  
THIS GIRL

When the day was over, Kallie got to the car first and jumped around trying to keep warm. I opened the car door and found the leather seats freezing cold. Kallie had a short skirt on so her legs had to endure until the car got heated. I just kept it running for a little in the parking lot. We passed the time with some small talk, but that wasn't as filling as what I wanted. I really wanted Kallie to fuck me in this car and get out the tension that had been built up at work. She looked at me and read my mind. She did a slow strip and was soon naked. The car was still a little cold so her nipples grew hard and I just had to touch them. She moaned and opened my pants. I stood up a little and those came off with now only my boxers.

Kallie pulled them off and immediately gave me one of the best blow jobs ever. It was awesome. I loved how her tongue never left my cock and she started to deep throat me. I was already really horny, so I didn't last that long and exploded into her mouth. She started to gag and some cum started leaking from the corner of her mouth, but she kept swallowing and when I finished she licked my cock up and down to finish me off.

Then we moved to the backseat and that just made it a little better. We positioned ourselves with me sitting and she sat on top of me facing front. That way I could play with her boobs and nipples while we did it. She could also keep an eye out for anyone coming towards the car. I started to pump her and worked up to a good pace that kept me from coming too soon but still gave her several small orgasms. When ever she had one, I pulled out to the tip of the head and rubbed her clit with my thumb and then added a finger or two. It was awesome when I finally came deep into her as I shoved it in

as far as it would go. That's when she started to have her fourth or fifth orgasm in the car. I was in balls deep and was trapped there by the vice grip I had come to expect from her pussy.

I started to come near the end of her orgasm, and she just flowed right into another one. This last one milked my cock until it finally deflated and we slipped back to the front seats. Kallie was panting hard and reached down to her pussy and swirled her finger in the mix of juices. She sucked them and then took my hand and did the same thing. I began to raise another woody but we noticed that the manager was locking up so we needed to get out of here before he saw my car and found us both naked inside.

On the way home, we stopped at a fast food drive-thru and I talked Kallie into giving our order in her sexy voice where I knew a bunch of guys work. Then she put her head in my lap and covered herself with a blanket I keep in the back seat. I pulled the blanket up to her neck so that her head was exposed. I drove up to the window with my shirt off and there were four guys there, and all of them started to crack up. I took the bag and drove off as Kallie sat up naked again in the front seat. As I drove, we began to munch on the fries. I was starving after not eating that much all day.

When we got to our house, Kallie decided to climb on my back and she made sure to rub her chest all over my back. Her feet were rubbing my crotch and before I even got to the door, my bulge was really evident. She stripped my clothes off as fast as she could and I was naked, too. She pulled me to the kitchen and we sat there, naked, pulling out the fries and talking sex. Bon appetite.

Cum on my tits!

Mason is the sort of girl who exudes sexual potency from every pore. You look at her down on her knees slurping up that pole of man meat, dabbling that great smile and huge jugs hanging down and there's just no mystery about what this gal wants. She wants you to snuggle up right behind her, yank her panty down, put your cock in and fuck away while spanking her beautiful ass and she's yelling out to fuck her harder!

# JENNIFER DARK

**Cum over to the Dark Side!**

I used to be a cheerleader in college. My favorite cheers were for the basketball team. Footballers played outside in the cold and we had to dress warm. In the gym, we had skimpy outfits that were a turn on for the team and fans. My fantasy was to fuck all five guys at one time, but four's not bad!

# OFF THE RECORD

I'M LIKE A FUN  
FUCK BUNNY

## JYNX MAZE

Lives a little bit under the porn star radar. She has an immense following even without big exposure. Her fans love her always happy and energetic attitude. Her sexual appetite is legendary among her co-performers because she'll always give it her all, be it in her pussy or ass.

**FOX:** We've looked forward to meeting you in the flesh rather than in the videos. But we must say, they are some of the hottest we have ever seen! Just how many scenes have you done?

**Jynx:** I don't know exactly how many movies I have done, but it's been quite a few. However, I do know that my videos have over 200 million views on this one site alone.

**FOX:** That's pretty impressive. Has that affected your on screen persona?

**Jynx:** I'm energetic and bubbly, I'm a lot of fun on the set. Even when I'm not doing a scene, I like to joke around and generally have fun.

**FOX:** Speaking of fun, what do you like to do for fun or to relax when you're not working?

**Jynx:** I love the beach and I love the water. Shopping is fun, too. And I like to workout a few times a week. I always feel relaxed after a workout.

**FOX:** What three things can you not live without?

**Jynx:** Oh my gosh, what a question. I guess I'd have to say... my cell phone, of course; my car, another of course here in L.A.; and I love my 8 inch flexi-vibe. I've tried a lot of them, but this one, it's red, is my absolute fave!

# JYNX MAZE

---

*FOX: Do you use your vibrator a lot?*

Jynx: At least once a day. You can control the pulsations and vibrations, and it flexes. It's awesome!

*FOX: Tell us about having sex with you, please.*

Jynx: Okay, I'll try. Well, I really do enjoy sex. I'm assertive and I have no problem telling a man what I want. I also enjoy pleasing my partner. My biggest turn on is sex with someone new because you don't know what to expect. Is he going to rock my world or is he going to be a jerk? Is he going to moan when I suck his dick or freak out when I lick his butt? I'm open to trying different things. I'm into having fantasy sex.

*FOX: Elaborate... fantasy sex?*

Jynx: Role playing and acting out sexual fantasies.

*FOX: Do you mean like cos-play with costumes and props?*

Jynx: Not unless you mean using props like sex toys or ropes, then yes. I don't wear costumes. I like to be totally nude so that my partner can enjoy my body, visually or otherwise.

*FOX: Do you enjoy receiving oral sex?*

Jynx: Oh yeah, real men do eat pussy! I love a lot of clitoral stimulation - a lot of steady licking of my clit. I go crazy when he sticks his tongue just inside my honey split and licks up and down.

*FOX: Do you have a special technique for oral sexing a man?*

Jynx: I just hold his dick and stroke it, slowly and then faster and squeezing while I do it. While I stroke his dick, I like to swirl my tongue around the head and suck just the tip, and then I move my mouth down, holding his dick maybe with just two fingers until I reach the bottom, and then I can suck his whole dick at once. I think I'm good.

**FOX:** Do you have a favorite way to get a man off?

Jynx: I enjoy getting a man off with my mouth and my ass. If he's spending the night and we've already had sex and were just hanging out, I'll give him a slow, sensual hand job and let him come in my hand. Sometimes, if I am feeling all content and satisfied from some good loving, I'll do him and give him some bonus orgasms for his effort.

**FOX:** We see you having anal sex a lot in your videos. Do you actually enjoy it or any kind of ass play, like spanking or having a finger back there?

Jynx: I like spanking if it is part of role-play like I've been a bad bad girl and need to be disciplined, but if you are going to make my ass smart, you had better be forgiving and smooth out the way with kisses and licking. When it comes to my scenes, I like it, and I tolerate it. I know my audience expects it of me and I want to please them. But there are times when the guy's not cumming and he just keeps pounding away. Then there isn't enough lube to keep a butt moist. I've watched myself in the videos and I think I like seeing anal sex with me in reverse cowgirl and laying back on his chest. That's a pretty good view, if you ask me.

**FOX:** Are you a moaner or screamer when you cum?

Jynx: (giggles) Sometimes I think I sound like a girl in a porn movie, only I'm not acting. I do both, but moaning is more sexy.

**FOX:** Do you have multiple orgasms?

Jynx: In my personal life, if the guy is good and he knows how to work his dick in a pussy or ass; or if I'm especially horny or extremely turned on, I can have multiple orgasms. I'll cum once and it will get stronger and I'll cum some more and it's like the Fourth of July in my pussy.

**FOX:** Do you cum during anal sex?

Jynx: Oh my god, yes. I wouldn't do it as much if there wasn't that reward in the end!!! (giggles)

**I'm a natural!**

Kiara has that sort of long willowy body that so many women dream about. What can you say? Some girls get lucky and we're glad. She's perfectly proportioned and has two of the most gorgeous breasts that we've ever seen. When you see this exciting siren standing with the innocent eyes... gently tugging her panties down and exposing a sexy tattoo... well, you just feel your heart start accelerating and you want to jump right into the page and start loving her, so to speak. She's so hot, well, we all had some trouble controlling ourselves!
